Dear Valerie,

I plan to attend both thru VIDEO port. Please let me know what I should do, except for turning on the machine.

Best regards,
Kohji

Subject: Harm Reduction Project Review

Dear Kohji,
In sending you my earlier note, I was reminded that I needed to know your availability for the next project review. The next review will cover the 'Harm Reduction' projects in our plan, therefore, I would need for you to present on the status of your Oasis project [(1138) Plan EHC Exposure Study (Japan)]. Because of the numerous projects in this part of the plan, we are currently scheduled to hold the review over two days: August 27 and August 30 from 8 am - 1 pm (Richmond time).

I have tentatively scheduled you to present on August 30 at 11:15 am Richmond time. Can you be available? I recognize this is a significantly late hour for you, so if needed I could move your project presentation up to the beginning of session on August 30.

You are, of course, welcome to participate in both days (not just the day of your presentation).

Please let me know your availability. Thanks in advance.

Best regards,
Valerie
